ORDER GRANTING PLAINTIFFS' MOTION FOR LEAVE TO FILE AN  
AMENDED WITNESS LIST TO NAME AN ACCIDENT  
RECONSTRUCTIONIST/LIABILITY EXPERT (D/E # 22)

On November 16, 2006, plaintiffs filed a motion for leave to file an amended witness list to name an accident reconstructionist/liability expert, asserting that plaintiffs only recently became aware that defendants intended to use an accident reconstruction expert.

Defendants' late-filed response to the motion generally complains of plaintiffs' delay in seeking the addition, and asserts that the late addition to plaintiffs' witness list is prejudicial to defendants, as it adds a "new theory" of the accident to the case, and because plaintiffs have not responded to defendants' discovery requests concerning such a new theory.

The court will allow the addition to plaintiffs' witness list. Discovery is ongoing for another six weeks, with trial scheduled to begin in June. Should defendants need

additional specific discovery to address the proposed expert information to be added to plaintiffs' case, the court will entertain an appropriate motion. Plaintiffs' motion is, accordingly, GRANTED.

IT IS SO ORDERED.
